

NETWORKS BY DESIGN

Tiger Lines will continue to partner with Networks by Design (NBD) to offer you a larger selection of in-network medical providers in your area. Facilities will remain "open access", meaning you may visit any facility and receive in-network benefits.

To find providers or ancillary benefits (i.e. Labs and X-Rays) that are within your network, please follow these steps,

1 Visit NBD's website at: www.NetByD.com

2 Click on the "Find a Doctor or Facility" tab located at the top of the page below NBD's logo

3 Click on "Group Health" under the "Provider Line" section.

Find a Doctor or Facility

4 Enter the minimum search criteria

- Name of the Provider and/or Specialty
- Location

5 Click Search

If your provider is not within the NBD network, you may click on "Nominate a Provider", complete the form and click "Submit". Networks by Design will receive your nomination and notify you via e-mail of the Recruitment Specialist who will personally be contacting the provider. You are invited to contact the Recruitment Specialist to obtain status of a nominated provider.

As always, you may call your Tiger Lines Benefit Help Line for assistance in finding a provider.
